

Nokia E71 SIM Free

Nokia E71 (Grey Steel)

It's good being in the loop. It's also good to not have to stay at your desk to do so. Now, whether you feel like logging on or turning off, you know you'll always stay beautifully connected wherever you are.

Fast, streamlined access to all your messaging services on the go. Powerful and sleek, work and play mesh seamlessly on the Nokia E71..

At a glance...

- Arrive on time to your destination with Nokia Maps and integrated A-GPS
- Stay up to speed with 3G, HSPDA and WLAN connectivity
- Put an articulate writing tool into your free hand
- Improve your work flow with mobile access to your business and personal email
